6.0 Educational Foundation

Nick reported that three requests were made from the WW office for a report on the activities of the Educational Foundation and nothing had been received by the time of the meeting in Amsterdam.

The sense of the board is that the WW Board will send a letter to the EF Board requesting that per the affiliation agreement that the EF Board provide the WW Board with an official report of activities. The report should contain the list of activities and the board meeting minutes from 2016 and 2017. If the response is not viewed as satisfactory by the WW Board then a follow up letter will be sent to the EF Board discussing the change or cancellation of the affiliation agreement.

7.0 FCSI Logo Use for Consultant Firms and Corporate Members

Wade presented the proposal approved by the TAD Board for the revised Corporate logo use for “supporting the Society.” This will change the “Actively Supporting” logo to say “Corporate Member.” The WW Board asked the TAD Board consider other options including the possibility of using the purple “Actively Supporting” logo that is being used in FCSI EAME.

12.0 TAD Division Update

James and Wade reported on the activities of The Americas Division. Overall TAD is in a very positive position and is looking forward to a very active balance ending 2017 and moving into 2018. TAD participated in the New York HX Show this past November and had one of the most positive trade show experiences yet at that event. Wade said that they received many positive leads from the show which he hopes will result in new Society members.

Wade reviewed the plans for the 2018 TAD Conference in Denver. The agenda is coming together nicely with a fine combination of core educational offerings offset with enjoyable and entertaining speakers and quality social programming.

The WW Board watched a sample of the new TAD produced videos on YouTube promoting FCSI and the foodservice consulting profession.

14.0 New Business

Board Meeting Dates/Locations

2018 – The board decided to hold the 2018 Q1 board meeting on Thursday, April 19th during the FCSI TAD Conference. It will be planned as a one-day board meeting.

If funds are available, and it is a prudent decision, there may be a WW Board meeting held in conjunction with the EAME Conference (October 2018).

Martin requested that the “host” Division pay for all costs associated with producing the WW Board meetings except for WW staff travel expenses. This was debated for a few moments and the sense of the Board was that it was probably feasible but each of the Divisional representatives would have to first get approval from their full boards in order to make it official.

*Bill moved to adjourn the meeting. Seconded by Clara and the meeting was adjourned on 1st December at 10:50 am (local time).*

*Meeting minutes recorded by N. Vaccaro on 12.06.2017.*
